

## Design a dance

The dance we learned is called The Highland Fair.

It has a diagram that looks like this:

THE HIGHLAND FAIR			8x32 J
	1 2 <b>T<sub>R</sub> T<sub>L</sub></b>	2 1      2 1 →      ←	2 1 <b>RL</b>

Scottish country dances are made up of formations.

Dances are usually 32 bars long. They are split into 8 bar phrases.

Each dance has 4 x 8 bars phrases.

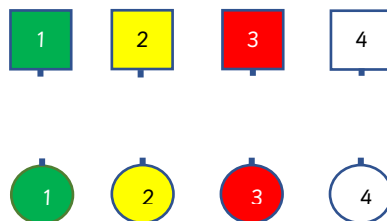

A phrase can have one 8 bar formation or 2 x 4 bar (= 8 bars) formations or 2 bar + 4 bar + 2 bar (= 8 bars) formations.

Diagrams.pdf has a list of some common formations.

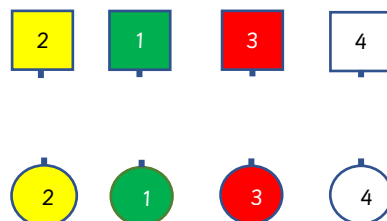

Use the formations to make up your own dance.

Remember that:

- Dances have 8 dancers (four couples) arranged in a rectangle

- At the end of one turn the original first couple have to end up in second place

or they can end up in fourth place.
